CHANG Men-tien (ben name, IO Fu)*, Chief Delegate of the Chinese Communist Government to the United Nations, is a follower of CHOEN Shao-yu (pen name, WANG Ming), and a member of the W. 'NG Ming clique.

- CHIMI Shao-yu was for years a slavish follower of Comintern ideas** and a disciple of a certain Mief (phonetic), a Russian Comintern member. CHORN was also an important theoretician in the Chinese Communist Party until 1944, when he was dismissed by MAO Tse-tung because of excessive Russian leanings. Subsequently CHIVN became head or a woman's college in China, a relatively minor position. He was appointed director of the Law Commission of the Chinese Communist Government on 1 October 1949.
- Both CHIVEN and his disciple CHANG are still ardent Rus ophiles.
